

Evaluation & Treatment Consent Form

West Coast Wound and Skin Care

I (or my authorized representative, i.e., parent/guardian), Alva Butler, consent to the medical/surgical procedures outlined below to be performed by _____ and his/her staff, associates, or assistants to whom the physician(s) performing the procedure may assign designated responsibilities. In the event one or more of the physicians is unable to perform or complete the procedure, a qualified substitute physician will perform or complete the procedure.

The proposed medical/surgical procedure is CONVERTING, Debridement for the diagnosis/treatment of wound care. The procedure has been explained to me in terms that I understand.

The explanation included:

- The nature and extent of the procedure to be performed.
- The most frequently occurring risks of the procedure involved, and those risks which are unlikely to occur, but which may involve serious consequences, include but are not necessarily limited to the following: _____
- General risks which may include pain, scarring, bleeding and infection
- The benefits of the procedure
- The estimated period of incapacity or convalescence, if any.
- The risks and benefits of any reasonable alternatives to this procedure include having no treatment at all

I was given the opportunity to ask any questions I have regarding the procedure, and I have had those questions answered to my satisfaction.

I understand that I may consult or could have consulted with another physician about this procedure.

I understand that I have the right to refuse any medical/surgical treatment recommended at any time prior to its performance.

I authorize my physician to perform such additional procedures which in his/her judgment are incidentally necessary or appropriate to carry out my diagnosis/treatment.

If any unforeseen condition arises during this procedure which requires transportation to a hospital, additional procedures, operation or medication including anesthesia and blood transfusions, I further request and authorize my physician to do whatever he/she deems advisable on my behalf.

I acknowledge that I have read (or had read to me) and fully understand the above information. Furthermore, I certify that all my questions and concerns regarding the procedure, its attendant risks, benefits and alternatives have been explained to my satisfaction. I hereby authorize my physician to perform the above discussed procedure.

Alva Butler

Statement of health professional (to be filled in by health professional with appropriate knowledge of the proposed procedure, as specified in consent policy)

I have explained the procedure to the patient. In particular, I have explained: The intended benefits as defined above, the possible risks including but not limited to bleeding and/or infection, extra procedures which may become necessary during the procedure (silver nitrate cauterization or other procedure). This procedure may involve prior local anesthetic of lidocaine or benzocaine solution.
